THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and Key Biscayne, Village of \_\_\_\_\_ (hereinafter referred to as the "Subrecipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Subrecipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

- A. The Subrecipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;
- B. The Subrecipient, by its decision to participate in this grant program, bears the ultimate responsibility for ensuring compliance with all applicable State and Federal laws, regulations and policies, and bears the ultimate consequences of any adverse decisions rendered by the Division, the Federal Awarding Agency, or any other State and Federal agencies with audit, regulatory, or enforcement authority;
- C. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Subrecipient upon the terms and conditions outlined below;
- D. The Division, as the pass-through entity and fiduciary of such Federal funding, reserves the right to demand that the Subrecipient comply with all applicable State and Federal laws, regulations and policies, terminate reimbursements and take any and all other actions it deems appropriate to protect those funds for which it is responsible, including debt collections; and
- E. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Subrecipient agree to the following:

**(1) APPLICATION OF STATE LAW TO THIS AGREEMENT**

2 C.F.R. §200.302 provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

**(2) LAWS, RULES, REGULATIONS AND POLICIES**

- a. Performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."
- b. As required by section 215.971(1), Florida Statutes, this Agreement includes:
  - i. A provision specifying a scope of work that clearly establishes the tasks that the Subrecipient is required to perform.
  - ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.
  - iii. A provision specifying the financial consequences that apply if the Subrecipient fails to perform the minimum level of service required by the agreement.
  - iv. A provision specifying that the Subrecipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

- v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.
- vi. A provision specifying that any funds paid in excess of the amount to which the Subrecipient is entitled under the terms and conditions of the agreement must be refunded to the Division.
- c. In addition to the foregoing, the Subrecipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B to this Agreement ("Scope of Work, Deliverables, and Financial Consequences"). Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

### **(3) CONTACT**

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Subrecipient. As part of his/her duties, the Grant Manager for the Division shall:

- i. Monitor and document Subrecipient performance; and,
  - ii. Review and document all deliverables for which the Subrecipient requests payment.
- b. The Division's Grant Manager for this Agreement is:

d. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title, and address of the new representative will be provided to the other party in writing via letter or electronic email. It is the Subrecipient's responsibility to authorize its users in the Recipient's grants management system. Only the Authorized or Primary Agents identified in Attachment D to this Agreement ("Designation of Authority") may authorize addition or removal of agency users.

### **(4) TERMS AND CONDITIONS**

This Agreement contains all the terms and conditions agreed upon by the parties.

**(5) EXECUTION**

This Agreement may be executed in any number of counterparts, of which may be taken as an original.

**(6) MODIFICATION**

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

**(7) SCOPE OF WORK**

The Subrecipient shall perform the work in accordance with Attachment A to this Agreement ("Budget and Project List").

**(8) PERIOD OF AGREEMENT/PERIOD OF PERFORMANCE**

The Period of Agreement establishes a timeframe for all Subrecipient contractual obligations to be completed. This agreement will begin upon execution by both parties and shall end upon closeout of the Subrecipient's account for this disaster by the Federal Awarding Agency, unless terminated earlier as specified elsewhere in this Agreement. This Agreement survives and remains in effect after termination for the herein referenced State and Federal audit requirements and the referenced required records retention periods.

The Period of Performance is the timeframe during which the Subrecipient may incur new obligations to carry out the work authorized under this Agreement. In accordance with 2 C.F.R. §200.309, the Subrecipient may receive reimbursement under this Agreement only for allowable costs incurred during the period of performance. In accordance with section 215.971(1)(d), Florida Statutes, the Subrecipient may expend funds authorized by this Agreement only for allowable costs resulting from obligations incurred during the specified agreement period. The C.F.R. requirement is more restrictive and will take precedence over the State requirement. The period of performance for this agreement begins with the first day of the Incident Period for the disaster applicable to the agreement and **ends six (6) months from the date of declaration for Emergency Work (Categories A & B)**, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement or extended in accordance with Attachment G to this Agreement ("Public Assistance Program Guidance"). If any extension request is denied by the Recipient, or is not sought by the Subrecipient, reimbursement is only available for eligible project costs incurred up to the latest approved extension. Failure to complete a project is adequate cause for the termination of funding for that project and requires reimbursement to the Recipient of any and all project costs.

**(9) FUNDING**

a. This is a cost-reimbursement Agreement, subject to the availability of funds. The amount of total available funding for this subgrant is limited to the amount obligated by the Federal Awarding Agency for all projects approved for this Subrecipient for EM-3533 – Hurricane Isaias.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either Chapter 216, Florida Statutes, or the Florida Constitution.

c. Pursuant to section 252.37, Florida Statutes, unless otherwise specified in the General Appropriations Act, whenever the State accepts financial assistance from the Federal Government or its agencies under the Federal Public Assistance Program and such financial assistance is conditioned upon a requirement for

matching funds, the State shall provide the entire match requirement for state agencies and one-half of the required match for grants to Local governments. The affected Local government shall be required to provide one-half of the required match prior to receipt of such financial assistance.

d. The Executive Office of the Governor may approve a waiver, subject to the requirement for legislative notice and review under section 216.177, Florida Statutes, of all or a portion of the required match for public assistance projects for Local governments if the Executive Office of the Governor determines that such a match requirement cannot be provided, or that doing so would impose a documented hardship on the Local government, and if the Local government applies for the waiver within the first 18 months after the disaster is declared.

e. The Division will reimburse the Subrecipient only for allowable costs incurred by the Subrecipient. The Recipient will provide funds on a cost reimbursement basis to the Subrecipient for eligible activities approved by the Recipient and the Federal Awarding Agency, as specified in Attachment A of this Agreement ("Budget and Project List"), which also outlines the maximum reimbursement amount for each deliverable.

f. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Subrecipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)." The Subrecipient must complete Attachment "D" by designating at least three agents to execute any Requests for Reimbursement, certifications, or other necessary documentation on behalf of the Subrecipient. After execution of this Agreement, the authorized, primary, and secondary Agent may request changes to contacts via email to the State assigned team.

g. In the event the Subrecipient contacts have not been updated regularly and all three (3) Agents have separated from the Subrecipient's agency, a designation of authority form will be needed to change contacts. NOTE: This is very important because if contacts are not updated, notifications made from the grants management system may not be received and could result in failure to meet time periods to appeal a Federal determination.

h. The Division will review all requests for reimbursement by comparing the documentation provided by the Subrecipient in the grants management system against a performance measure, outlined in Attachment A of this Agreement ("Budget and Project List"), that clearly delineates:

- i. The required minimum acceptable level of service to be performed; and,
- ii. The criteria for evaluating the successful completion of each deliverable.

i. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.76 as, "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.301, that the Division and the Subrecipient "relate financial data to performance accomplishments of the Federal award."

j. If authorized by the Federal Awarding Agency, then the Division will reimburse the Subrecipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If authorized by the Federal Awarding Agency, and if the Subrecipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (see 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services

provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as the benefits are reasonable and are required by law, Subrecipient-Employee agreement, or an established policy of the Subrecipient in affect at the time of the disaster event. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

- i. They are provided under established written leave policies;
- ii. The costs are equitably allocated to all related activities, including Federal awards; and
- iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

k. If authorized by the Federal Awarding Agency, then the Division will reimburse the Subrecipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Subrecipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes (at the time of the execution of this agreement: \$6 for breakfast, \$11 for lunch, and \$19 for dinner), then the Subrecipient must provide documentation that:

- i. The costs are reasonable and do not exceed charges normally allowed by the Subrecipient in its regular operations as a result of the Subrecipient's written travel policy; and,
- ii. Participation of the individual in the travel is necessary to the Federal award.

l. The Division's Grant Manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Subrecipient.

m. As defined by 2 C.F.R. §200.53, the term "improper payment" means or includes:

- i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,
- ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit or applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

#### **(10) RECORDS**

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Subrecipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Subrecipient's personnel for the purpose of interview and discussion related to such

documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.331(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Subrecipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Subrecipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.333, the Subrecipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

- i. If any litigation, claim, or audit is started before the expiration of the five (5)-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
- ii. When the Division or the Subrecipient is notified in writing by the Federal Awarding Agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.
- iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.
- iv. When records are transferred to or maintained by the Federal Awarding Agency or pass-through entity, the (five) 5-year retention requirement is not applicable to the Subrecipient.
- v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.
- vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.334, the Federal Awarding Agency must request transfer of certain records to its custody from the Division or the Subrecipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.335, the Division must always provide or accept paper versions of Agreement information to and from the Subrecipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be

substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Subrecipient shall take reasonable measures to safeguard protected personal identifiable information and other information the Federal Awarding Agency or the Division designates as sensitive or the Subrecipient considers sensitive consistent with applicable Federal, State, Local, and Tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, three (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Subrecipient based upon the funds provided under this Agreement, the meetings of the Subrecipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the State and Local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency), in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge, qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Subrecipient shall maintain all records for the Subrecipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of Attachments A and B to this Agreement ("Budget and Scope of Work" and "Program Statutes and Regulations" respectively), and all other applicable laws and regulations.

**IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-4156,**

**Records@em.myflorida.com, or 2555 Shumard Oak Boulevard, Tallahassee, FL 32399.**

**(11) AUDITS**

a. The Subrecipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Subrecipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.49, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Subrecipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.50, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Subrecipient of such non-compliance.

e. The Subrecipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Subrecipient's fiscal year.

f. The Subrecipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Subrecipient, to the Division at the following address:

DEMSingle\_Audit@em.myflorida.com

OR

Office of the Inspector General  
2555 Shumard Oak Boulevard  
Tallahassee, Florida 32399-2100

g. The Subrecipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

<http://harvester.census.gov/fac/collect/ddeindex.html>

h. The Subrecipient shall send any management letter issued by the auditor to the Division at the following address:

OR

Office of the Inspector General  
2555 Shumard Oak Boulevard  
Tallahassee, Florida 32399-2100

## **(12) REPORTS**

a. Consistent with 2 C.F.R. §200.328, the Subrecipient shall provide the Division with quarterly reports and any applicable close-out reports. These reports shall include the current status and progress by the Subrecipient and, as applicable, all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

	Reporting Time Period	Subrecipient Report Submittal Deadline
Quarter 1 (Q1)	October 1 – December 31	January 15
Quarter 2 (Q2)	January 1 – March 31	April 15
Quarter 3 (Q3)	April 1 – June 30	July 15
Quarter 4 (Q4)	July 1 – September 30	October 15

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

c. The closeout report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with Attachment A to this Agreement ("Budget and Project List").

e. The Subrecipient shall provide additional program updates or information that may be required by the Division.

f. The Subrecipient shall provide additional reports and information as required by the Federal Awarding Agency or the Division.

## **(13) MONITORING**

a. The Division shall monitor the performance of the Subrecipient under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement ("Budget and Project List") and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope reviews, and/or other procedures. The Subrecipient agrees to comply and

cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that an audit of the Subrecipient is appropriate, the Subrecipient agrees to comply with any additional instructions provided by the Division to the Subrecipient regarding such audit. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Subrecipient throughout the contract term to ensure timely completion of all tasks.

#### **(14) LIABILITY**

a. Unless Subrecipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Subrecipient is solely responsible to parties it deals with in carrying out the terms of this Agreement. As authorized by section 768.28(19), Florida Statutes, Subrecipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Subrecipient agrees that it is not an employee or agent of the Division but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Subrecipient which is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Subrecipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a State agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

#### **(15) DEFAULT**

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies as set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Subrecipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Subrecipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Subrecipient at any time during the term of this Agreement, and the Subrecipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or

d. The Subrecipient has failed to perform and complete on time any of its obligations under this Agreement.

#### **(16) REMEDIES**

If an Event of Default occurs, then the Division shall, after thirty (30) days of providing written notice to the Subrecipient and upon the Subrecipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

- a. Terminate this Agreement, provided that the Subrecipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein.
- b. Begin an appropriate legal or equitable action to enforce performance of this Agreement.
- c. Withhold or suspend payment of all or any part of a request for payment.
- d. Require that the Subrecipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.
- e. Exercise any corrective or remedial actions, to include but not be limited to:
  - i. Request additional information from the Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance;
  - ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected;
  - iii. Advise the Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question; or
  - iv. Require the Subrecipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;
- f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Subrecipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Subrecipient.

#### **(17) TERMINATION**

- a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Subrecipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.
- b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Subrecipient with thirty (30) days prior written notice.
- c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.
- d. In the event that this Agreement is terminated, the Subrecipient will not incur new obligations for the terminated portion of the Agreement after the Subrecipient has received the notification of termination. The Subrecipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Subrecipient shall not be relieved of liability to the Division because of any breach of Agreement by the Subrecipient. The Division may, to the extent authorized by law, withhold payments to the Subrecipient for the purpose of set-off until the exact amount of damages due the Division from the Subrecipient is determined.

#### **(18) PROCUREMENT**

a. The Subrecipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable Federal and State laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards"). Additional requirements, guidance, templates and checklists regarding procurement may be obtained through the FEMA Procurement Disaster Assistance Team. Resources found here: <https://www.fema.gov/grants/procurement>.

b. If the Subrecipient contracts with any contractor or vendor for performance of any portion of the work required under this Agreement, the Subrecipient must incorporate into its contract with such contractor or vendor an indemnification clause holding the Federal Government, its employees and/or their contractors, the Division, its employees and/or their contractors, and the Subrecipient and its employees and/or their contractors harmless from liability to third parties for claims asserted under such contract.

c. The Subrecipient shall monitor and document, in the quarterly report, the contractor's progress in performing its work on its behalf under this Agreement in addition to its own progress.

d. The Subrecipient shall ensure all contracts conform to sections §287.057 and §288.703, Florida Statutes, as applicable.

e. The Subrecipient may request guidance concerning procurement activity from the Division but shall also use its own judgment to determine compliance with all applicable rules and statutes.

#### **(19) PAYMENTS**

a. Requests for Reimbursement (RFR) serve as invoices for the purposes of section 215.422, Florida Statutes and shall include the supporting documentation for all costs of the project or services in detail sufficient for a proper pre-audit and post-audit thereof. The final RFR shall be submitted within thirty (30) days after the expiration date of the agreement or completion of applicable Project, whichever occurs first.

b. Any advance payment made under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account unless otherwise governed by a program specific waiver. If an advance payment is requested, the budget data upon which the request is based, and a justification statement shall be submitted by completing Attachment K of this Agreement ("Justification of Advance Payment"). The request will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. Any advance funds not expended within the first ninety (90) days of the contract term must be returned to the Division's Cashier within thirty (30) days, along with any interest earned on the advance. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

c. If the necessary funds are not available to fund this Agreement, as a result of action by the United States Congress, the Federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Subrecipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

**(20) REPAYMENTS**

a. All refunds or repayments due to the Division under this agreement are due no later than thirty (30) days from notification by the Division of funds due.

b. As a condition of funding under this Agreement, the Subrecipient agrees that the Recipient may withhold funds otherwise payable to the Subrecipient from any disbursement to the Recipient, by the Federal Awarding Agency or any other source, upon a determination by the Recipient or the Federal Awarding Agency that funds exceeding the eligible costs have been disbursed to the Subrecipient pursuant to this Agreement or any other funding agreement administered by the Recipient. The Subrecipient understands and agrees that the Recipient may offset any funds due and payable to the Subrecipient until the debt to the State is satisfied. In such event, the Recipient will notify the Subrecipient via the entry of notes in its grants management system.

c. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", must include the invoice number and the applicable Disaster and Project number(s) that are the subject of the invoice, and be mailed directly to the following address:

Division of Emergency Management  
Cashier  
2555 Shumard Oak Boulevard

d. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, the Subrecipient shall pay the Division a service fee of \$15.00 or 5% of the face amount of the returned check or draft; whichever is greater.

**(21) MANDATED CONDITIONS**

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Subrecipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of the said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Subrecipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Subrecipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Subrecipient agrees to comply with the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and Local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Subrecipient which receives funds under this Agreement from the Federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

- i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a Federal department or agency;
- ii. Have not, within a five (5)-year period preceding this proposal, been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or Local) transaction or contract under public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

- iv. Have not, within a five (5)-year period preceding this Agreement, had one or more public transactions (Federal, State or Local) terminated for cause or default.

g. If the Subrecipient is unable to certify to any of the statements in this certification, then the Subrecipient shall attach an explanation to this Agreement.

h. In addition, the Subrecipient shall send to the Division (by email to the assigned grant manager) the completed Attachment C of this Agreement ("Certification Regarding Debarment") for the Subrecipient and a screenshot reflecting such self-check via the Federal System for Award Management (SAM) clearinghouse through the website [www.sam.gov](http://www.sam.gov). Subrecipient shall also perform this check for any and all intended contractor or subcontractor for which Subrecipient plans to fund under this Agreement. A screenshot of the clearinghouse results for each intended contractor or subcontractor should be maintained by the Subrecipient and provided to the Division upon request. The check must be completed before the Subrecipient enters into a contract covering the scope of work outlined in the PWs with any contractor or subcontractor.

i. The Division reserves the right to unilaterally cancel this Agreement if the Subrecipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Subrecipient created or received under this Agreement.

j. Subject to the provisions of 2 C.F.R. §200.305, the Subrecipient must temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

k. The State of Florida will not intentionally award publicly funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider

the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Subrecipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

l. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law. This provision is only applicable to subrecipients receiving a state cost share.

m. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

## **(22) LOBBYING PROHIBITION**

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any State agency.

d. The Subrecipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

- i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.
- ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Subrecipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
- iii. The Subrecipient shall require that this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly.

- iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
- v. The Subrecipient and its Contractors shall sign Attachment J – Certification Regarding Lobbying.

#### **(23) COPYRIGHT, PATENT AND TRADEMARK**

**EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUBRECIPIENT TO THE STATE OF FLORIDA.**

a. If the Subrecipient has a pre-existing patent or copyright, the Subrecipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Subrecipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Subrecipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Subrecipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Subrecipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Subrecipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (25) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Subrecipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Subrecipient shall become the sole property of the Subrecipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Subrecipient, under this Agreement, for Florida government purposes.

#### **(24) LEGAL AUTHORIZATION**

The Subrecipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Subrecipient also certifies that the undersigned person has the authority to legally execute and bind Subrecipient to the terms of this Agreement.

**(25) EQUAL OPPORTUNITY EMPLOYMENT**

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

iii. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

iv. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or

understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

v. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

vi. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vii. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

viii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that

if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

#### **(26) CONTRACT WORK HOURS AND SAFETY STANDARDS**

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

#### **(27) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT**

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:  
Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

**(28) SUSPENSION AND DEBARMENT**

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

**(29) BYRD ANTI-LOBBYING AMENDMENT**

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

**(30) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS**

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to

assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

- i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

### **(31) NONDISCRIMINATION BY CONTRACTORS**

Pursuant to 44 C.F.R. §§ 7 and 16, and 44 C.F.R. § 206.11, the Subrecipient must undertake an active program of nondiscrimination in its administration of disaster assistance under this Agreement. ### **(32) ASSURANCES**

The Subrecipient shall comply with any Statement of Assurances incorporated as Attachment E to this Agreement ("Statement of Assurances").

### **(33) DUPLICATION OF BENEFITS PROHIBITED**

a. The Subrecipient understands it may not receive funding under this Agreement to pay for damage covered by insurance, nor may the Subrecipient receive any other duplicate benefits from any source whatsoever.

b. The Subrecipient agrees to reimburse the Recipient if it receives any duplicate

benefits, from any source, for any damage identified on the applicable Project Worksheets, for which the Subrecipient has received payment from the Recipient.

c. The Subrecipient agrees to notify the Recipient in writing within thirty (30) days of the date it becomes aware of the possible availability of, applies for, or receives funds, regardless of the source, which could reasonably be considered as duplicate benefits.

d. In the event the Recipient determines the Subrecipient has received duplicate benefits, the Subrecipient gives the /Recipient the express authority to offset the amount of any such duplicate benefits by withholding them from any other funds otherwise due and payable to the Subrecipient, and to use such remedies as may be available administratively or at law to recover such benefits.
